EDUCATION

Vandegrift High School

Austin, TX

Business Endorsement

August 2023-Present

Notable Coursework: Principles of Business Marketing and Finance, Business Management.

GPA: 5.33/5.5

EXPERIENCE

Vandegrift Viperbots Robotics Team QuadX 6299

Austin, TX

Marketing Lead and Assistant Project Manager

April 2024 – Present

I lead outreach efforts with companies and the community to promote STEM. I also manage the marketing area of our team including branding and social media. I present our team's robotics journey to judges at competitions.

- Won Inspire 3rd Place
- Created an FTC Team for 7 middle school students to compete in robotics
- Raised \$5.5K for my team with \$1.5K going in robotics kits donated to kids in Africa
- Coordinated with 8 companies to secure tours and connected with 72 industry professionals.
- Organized a STEM show which had 7 events that directly impacted 225 students.
- Created and designed the team's engineering portfolio

Viper Snake Oil Club

Austin, TX

President

August 2025 – Present

I lead a marketing club established at Vandegrift High School to help Incubator and Accelerator students

- Recruited 10 members into the club to help them learn about the types of marketing
- Helping Incubator and Accelerator teams with their marketing

PantryPal

Austin, TX

Confounder

August 2025 – Present

Co-founded a tech startup part of the Vandegrift Incubator program that is an app for pantry management

- Created the pitch deck to present to judges
- Helped code and design the app prototype and website

Robotics Team Qubit Bot 23312

Austin, TX

Team Lead

August 2023 – Present

Led robotics team Qubit Bot 23312 in the FIRST competition. Also held outreaches, designed the robot, and participated in presentations.

- Won the Control Award while leading the team in presentations
- Designed a Finalist Alliance robot in League Championships and Semi-Area Championships
- Coordinated outreaches with 3 industry professionals

DECA

Austin, TX

Member

August 2024 – Present

I compete in DECA competitions and volunteer in events like Trunk-or-Treat.

- Participating in the Virtual Business Challenge for sports and ESB
- Founded a marketing club in collaboration with my DECA advisor

Student Council

Austin, TX

Member (Round Table)

August 2023 – May 2025

I volunteer for events in my school and develop solutions to improve student life at high school.

- Volunteered in school events like Relay For Life, helping raise \$2000 for cancer
- Implemented solutions for school issues in Round Table events relating to student health

NHS

Austin, TX

Member

August 2025 – Present

Part of an honorary club in high school where I volunteer outside of school mainly with the youth community

- Mentored an FTC Robotics Team for 4 hours a week for 20 weeks
- Hosted an FLL Scrimmage at Vandergrift High School and refereed 3 teams.

NJHS

Austin, TX

Member

August 2022 – May 2023

I was part of an honorary club in middle school in which I volunteered in school and as well as in our community.

- Tutored students in Middle School in Math, science, and Social Studies
- Served for 60+ Hours
